

ANNOUNCEMENTS:

Welcome back to the Spring Season of B League Tennis! The makeup match for the #1 spring match will be held on April 14th. Home captains need to reserve the courts. Also, captains please be sure to check the B and the A sub list to make sure your subs can play.

Changes were made to A subs over the break that resulted in an ineligible sub playing, resulting in a forfeit. It's unfortunate, and I'm going to ask for the Sub Committee chairs to email the captains with any changes made to the sub lists that impacts the B League. In the meantime, be sure to check the A and B sub lists when lining up your subs. Thank you!
