

ANNOUNCEMENTS:

Tallahassee Tennis Challenger is next week, so no league match, but lots of good tennis!

Volunteers still needed! Please contact Sandy Lane at scameron2@aol.com.

April 30th, #7 Spring Match Makeup will be played.

Rule Clarification:

Any ball that hits a player on anything other than their racket before touching the ground, even if it's out, is the opponents point.

For example, a ball hits a players shoe, even if they are behind the baseline, is the other team's point. USTA Rule 24.

Rain-outs from April 2nd have until April 30th to play the match or split points. Let me know!
